

May 2026 Brother Marcus Heaster, Ukraine, Jewish outreach

Many thanks to all who supported the work of brother Marcus Heaster throughout his long life of service to the Lord. His work in many ways was the foundation for that of Carelinks today. His funeral was, as we had hoped and prayed it would be, not so much a tribute to him but an event that would inspire us all to "keep on keeping on" and expand our personal efforts to spread the Gospel. And above all, glorify our Lord Jesus and God's great, saving work through Him. We hope you will share this inspiring event with us by watching it on YouTube at <https://youtu.be/2QcdFn7c0Tc>

UKRAINE

Brother Duncan plans to be in Ukraine this week, and we do ask your prayerful support. We have mentioned often our strong desire to witness to Jewish folks wherever they are, and to help at least some to accept Jesus as their Messiah. We see this as a possible precursor to the Lord's return. That desire and those efforts have had some response in Ukraine, where we have reported several baptisms of Jewish folks. The terribly difficult wartime situation is leading everyone there to think about eternal issues. That work of witness is continuing and being blessed, with more Jewish people wanting to be baptized in southern Ukraine. Brother Duncan hopes to do this and also to provide more welfare in the ongoing wartorn situation there. We appreciate your prayers.

With love from your brothers and sisters of Carelinks
